#### INTRODUCTION:

We are extremely fortunate to have a field at Park Lane, Meols available for use by Club Members (at their own risk) for outdoor training activities.

The field is available from 9.15am until dusk.

There is a set of agility equipment available for use **ONLY** by classes led by a recognised club Agility Trainer or for individual use by those regularly competing in Agility.

Non-members are **NOT** permitted to use the field.

Members may **NOT** use the field for private training sessions for personal gain.

#### BOOKING:

Priority for booking is always given to Club activities. If such activities have not been booked a week in advance, the field will be available for Members at a charge of £5.00 per hour (this may be used in 15 or 30 minute sessions).

When you book the field you will be given the security code for the lock on the gate.

Booking is via the Diary Secretary:

Irene Haddock

Tel: 0151 645 9435 or 07711388227

If a booking is no longer required please inform the Diary Secretary as soon as possible so the field may be made available to others.

## GENERAL RULES:

*The following rules are additional rules relating to the field and should be read in conjunction with the General Class Training Rules.*

Please park sensibly in the designated area. If you are attending a class you may need to double park down the path, please check the parking arrangements with your Trainer..

It is your responsibility to check for safety, including:

- ✿ uneven ground
- ✿ equipment being used set up correctly and safely.

- ✿ Any incidents at the field must be recorded in the Accident Book and reported to Irene Haddock

If the field has been cleared for mowing and it has **NOT** been mown any equipment used must be put away at the end of your session. If it has been mown then you may leave it out.

If in a class do not use the equipment without permission.

Dogs **MUST** be kept on lead between cars and the training area (until you enter our designated training area you will be considered to be in a public space and local bye-laws apply).

Keep noise to a minimum and respect the neighbours. Dogs must **NOT** be left in cars if they are barking.

Any disrespect to the Landlord, neighbours or other users will not be tolerated.
