Longfield Agility Novice

The Longfield Agility Novice Qualifier is a competition for Large dogs, eligible for grades 3, 4 & 5. There will be approximately ten qualifying heats.

The Longfield Agility Novice Final will be held at the Longfield Agility August show on the **18th August 2018**, at Hillside Rural Activities Park, Oaktree Bank, Kynaston, Thirsk, YO7 4AX.

The winner of the final will receive £100 in cash and a £150 voucher towards equipment from Longfield Agility Solutions.

This class must be judged under the appropriate Kennel Club Rules in force at the time of the competition for a standard open class.

If the entry for a heat exceeds the KC limit for a class in a day, then the class will be equally and randomly split in accordance with current Kennel Club regulations. All competitors entering the class will be deemed to have agreed to abide by the rules of the Kennel Club and the specific regulations governing this class.

The competition is open to Kennel Club registered dogs eligible to compete at Large Height in grades 3, 4 & 5 and competing at 650mm jump height.

Where the qualifier is held at a show where the full height and LHO results are combined, only the top 5 dogs running at 650mm jump height will be awarded the invitations to compete in the final.

Handlers may enter more than one dog in the competition and may qualify more than one dog for the final.

The first five full height dogs (650mm jump height) from the heat will be invited to compete in the final. The next five full height dogs will be held as reserves. If the class is split the top three full height dogs from each part will be invited to compete in the final. The next top three full height in each part to be held as reserves.

Once a dog has qualified for the final it may enter further heats. Handlers who have already qualified their dog for the final should report this fact to the appropriate Show Secretary before running in the class. If the already qualified dog then qualifies again, that place will be awarded to the highest placed unqualified dog running at full height.

In the event of a dog being unable to compete in the final due to unavailability, illness or injury, the reserves from that heat will be invited in numerical order.

In the event of a handler being unable to compete in a final due to unavailability illness or injury, the reserves from that heat will be invited in numerical order. In the event of a handler being unable to compete in the final due to illness or injury a substitute handler for the qualifying dog will be allowed to run the dog.

Trophies will be awarded to third place and rosettes to 15th place in these qualifiers.

ELIGIBILITY AND SCHEDULE OF CLASSES

In the following definitions of classes First Prize or other prize wins are those gained in standard classes at any Kennel Club Open licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw.

With this proviso classes are defined as follows:-

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either Full height or the Lower Height Option, except that progression from Grade 5 will require 3 wins at grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however, once a dog has progressed, it cannot return to a previous grade. **Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.**

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.
